

Letter of Recommendation

To whom this concerns,

It is a great pleasure to detail the accomplishments of Karlyn Marcy in this letter of recommendation during her time as my communications intern at Gainesville Regional Utilities.

I thoroughly enjoyed my time working with Karlyn, and came to know her as a truly valuable asset to our team.

She is dependable and an impressive communicator who is always meeting deadlines, if not exceeding them. Her ability to consistently manage multiple projects while taking on special requests was a huge advantage for my colleagues and myself.

Along with her undeniable talent, Karlyn has always been an absolute joy to work with. She is a true team player, professional and always manages to foster positive discussions that helped make the office a bit brighter than before.

Without a doubt, I confidently recommend Karlyn to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that she will be a beneficial addition to your organization.

Please feel free to contact me at MunseyLA@gru.com should you like to discuss Karlyn's qualifications and experience further. I'd be happy to expand on my recommendation.

Positively,
